LipoMelt Technologies Limited Warranty Registration

The LipoMelt System is guaranteed to be free of manufacturing defects for a period of 1 year from date of purchase. This warranty covers parts and labor to the original registered purchaser. During this period, if a covered item is defective, LipoMelt Technologies will mail a new one to the purchaser without charge. The purchaser will then mail the item back to LipoMelt Technologies in the same box. The warranty and remedies are exclusive and in lieu of all others, oral or written, expressed or implied. No reseller, agent or employee is authorized to make any modification, extension or addition to this warranty. You must retain your bill of sale or other proof of purchase to receive warranty service. No warranty extension will be granted for any replacement part(s) furnished to the purchaser in fulfillment of this warranty.

This warranty is void if the original seal on the cover of the controller unit is violated or if it is determined by the factory that the machine has been operated not in compliance with standard procedures. The system owner is responsible for the payment, at current rates, for any service or repair outside the scope of this limited warranty. This warranty extends only to products distributed and/or sold by LipoMelt Technologies. It is effective only if the products are purchased and operated in the USA or Canada. (Within the USA including US 48 States, Alaska and Hawaii.)

The warranty does not cover: Damage caused by natural disasters, including flood, fire, wind and earthquake, damage caused by improper use, abuse, tampering or dropping, and damage caused by incompatible voltage.

This warranty does not apply to the protective pad covers unless issues arise due to a defect in materials or workmanship.
